Application for Study Abroad Academic Plan and Approval: Direct Enrollment at a Foreign Institution

INSTRUCTIONS

A completed Academic Plan and Approval form is required in order for grades to be posted on your KU transcript. Consult your OSA Program Coordinator for program-specific instructions.

Make a copy of this form and take it abroad with you.

STEP 1: Plan the courses you will take abroad

Research available courses: Your OSA Program Coordinator will refer you to catalogs, web sites or other sources for course availability at your host institution. Your Coordinator will also give you information about:

- 1) the standard full-time course load,
- 2) credit hour conversions,
- 3) any restrictions to courses or departments at your host institution.

Write the courses you plan to take at your host institution on the left-hand side of the Academic Plan Approval form. Be sure to list several alternatives in case your first choices are not available.

If there are not enough spaces to list all the courses you are interested in, you can obtain an additional form from the Office of Study Abroad (OSA) or the OSA website, www.studyabroad.ku.edu

Step 1 for Non-KU students:
Complete Step 1 as for KU students.

STEP 2: Obtain *tentative* approval for KU course equivalents in each academic department

Each department has a **Study Abroad Faculty Advisor** who determines KU equivalencies for courses taken at foreign institutions. Your OSA Coordinator has a list of Advisors' names and contact information. This information is also available on the OSA website, www.studyabroad.ku.edu.

You must obtain tentative approval from the Study Abroad Faculty Advisor in each department that corresponds to the courses you wish to take abroad. For example, a history course equivalent must be approved by the Study Abroad Faculty Advisor in the History department.

When you meet with the Study Abroad Faculty Advisor, bring all available course information, such as a catalog description, syllabus, or texts. The Study Abroad Faculty Advisor will evaluate this information to determine a *tentative* KU equivalent.

If available course information is insufficient, the Study Abroad Faculty Advisor may ask the student to bring back evidence of course work, syllabus, assignments, etc. at the end of the study abroad period before finalizing the approval.

When available, your OSA Coordinator will give you a list of course equivalents that have been approved in the past. The list will serve as a guideline as you select courses and work with Advisors.

Step 2 for Non-KU students:
Under KU Course Equivalent, write in **ONLY** pre-approved courses from the program list. KU will determine course equivalents for any courses that have not been pre-approved. It will be your responsibility to bring back a syllabus in English for any host institution course that has not been pre-approved.

STEP 3: Meet with your Academic Advisor

After you have KU course equivalents approved for all of your courses, your Academic Advisor must approve your overall plan.

If you have not yet declared a major, make an appointment with the Freshman-Sophomore Advising Center (FSAC). The FSAC Advisor will sign your form. If you have declared a major or are in the Honors program, meet with your designated Academic Advisor.

Take a copy of your ARTS form so that you can discuss how the courses you will take abroad fit in with your degree program. Review the requirements that will be met while you are abroad as well as the credits that will remain when you return.

Step 3 for Non-KU students:
Obtain the approval of the appropriate advisor at your home institution for your overall enrollment. Be sure to discuss how KU credit earned on the program will apply toward your degree.

STEP 4: If you will have two semesters (30 hours) or fewer to graduate when you return...

Make an appointment with the Graduation Officer in your school to do a Graduation Check and plan your last semester(s) at KU before you leave.

If you will complete ALL degree requirements while abroad, arrange to apply for your degree before you depart. It can take several months after the end of your program to post study abroad credit. Let your OSA Coordinator know your graduation plans and maintain close contact to ensure that grade posting moves as quickly as possible.

Credits must be posted by a specific date in order to graduate during the term in which you completed your coursework abroad. Visit the OSA website at www.studyabroad.ku.edu for the applicable date for each term.
